One mile north of Vermont I-91. For updates and more info, see web site: www.homesteadcourses.com

Directions

GET READY TO HAVE FUN!

Where are we? We are 5 miles from the intersection of I-91/Autoroute 55 at the VT/Que. Border.

From the USA: Take Interstate 91 N. after you cross the border go one mile north and take exit # 2 on Auto route 55 (Stanstead) Auto route 55 is a continuation of US 91). At the stop sign, turn right on Route 143. Go about 200 feet. At the stop sign turn left and go east 1/2 mile. Turn right onto Ch.Stage.* (Crystal Lake Cemetery will be on your left as you turn right onto Stage Road.). At apx 2 miles a road will tee in from the left, this is the continuation of Stage and the road you were on changes to Smith, you turn left over the bridge and go apx 1 mile and we are on the left. We live at 4945 Ch.Stage. Stay on paved road. Our name Weller is on the mailbox and so is the number 4945. Just across from our driveway there is a farm with two large gray barns.

OR take route 5 north down the hill and thru Canadian customs and then straight up the hill (on Dufferin) though Stanstead to an Arret (stop) sign then turn right (on Fairfax) and go past the IGA on your right and over the auto route and a half mile further to Stage Road then pick up from * above.

From Canada: Take Auto Route 55 South. Take exit # 2, Stanstead. At the stop sign turn left and cross the bridge over Auto Route # 55, heading straight away from Stanstead. Go 1 km, then turn right onto Ch.Stage. (Crystal Lake Cemetery will be on your left as you turn right onto Stage Road.) We live at 4945 Ch.Stage. Stay on paved road. Our name Weller is on the mailbox and so is the number 4945. Just across from our driveway there is a farm with two large gray barns.

The recommendation for crossing the border is your passport or passport card or smart license or possibly a picture ID and a birth certificate for each member of the family.

Reservations for the Beefalo cookout are required so that we have plenty of food ready. There will be organic grass fed beefalo burgers and potato or macaroni salads as well as fresh lettuce and edible pea pod peas. Most everything will be home made fresh from the farm.
